

## FIRST THINGS FIRST

*The right system for bright futures*

### ***First Things First Request for Grant Applications (RFGA) Informational Meeting!***

If you work for a program or department that is looking to improve services for young children  
OR if you're a community member interested in starting a program to improve the health and  
well-being of children, please attend the First Things First, Request for Grant Applicants  
Informational Meeting!

This will be a great opportunity for programs and individuals to learn exactly what will be  
expected when applying for funds from First Things First.
